Dear readers:

First of all I would like to wish you ALL Rotarians and your family **A Very Healthy, Prosperous and Happy New Year 2013**. Rotary club of Kasthamandap members have shown great enthusiasm this month by organizing and successfully accomplishing the movie charity show to raise funds for its activities. Rtn. Ashok and other colleagues who have helped in raising fund either by selling the tickets to others or buying for themselves are really worth applaud. Club members efforts in utilizing the waste and flowers in Manakamana temple or supporting the Nepal Ambulance services or supporting Nepal orthopedic hospital through matching grants etc shows the member's commitment to the society and meaningful reason to join the club. Keep the good work going!

Rotary condemns attacks targeting polio vaccinators in Pakistan

A child shows off the purple dye on his pinkie, a sign he has received the polio vaccine.

Posted on December 19, 2012 from Rotary.org

By Robert S. Scott, chair of the International PolioPlus Committee
Rotary International joins the Government of Pakistan and our partners in the Global Polio Eradication Initiative in condemning the recent attacks that have killed and wounded health workers in Pakistan.

The shooting victims are among the thousands of health workers and volunteers – including members of Pakistan’s 151 Rotary clubs – who are committed to saving children by stopping the transmission of polio in Pakistan, one of three countries where the crippling virus remains endemic. The attacks prompted the Government of Pakistan to temporarily suspend the vaccination campaign due to concerns over the safety of health workers. Rotary is deeply concerned that such attacks deprive at-risk children of basic life-saving health care services, including polio vaccinations. I know that Pakistani Rotarians, supported by Rotary members worldwide, will continue to do their utmost to create a safe environment so that these dedicated health workers can reach the nation’s most vulnerable children with vaccinations and other vital health interventions. Polio eradication has been Rotary’s highest priority since 1985, and we are on the brink of making history by beating polio once and for all. On behalf of Rotary’s 1.2 million members, representing 34,000 clubs in 200 countries and areas, I extend our deepest sympathy to the families of the victims. Their dedication and sacrifice further inspire us to continue moving forward toward our goal of a polio-free world.

December 2012

Dear 2012-13 district/club leader,

Since [Rotary Club Central](#) was launched in July, thousands of clubs have used it to track their goals. New features and enhanced functionality have now been added!

Service Project and Activities Goal

Within the Service tab, club leaders can now set a goal and track achievements for the projects and activities the club plans to do over the course of the year. Clubs can include details about each project and activity to improve planning for the future.

Public Relations Goal

Within the Your Club tab, club leaders can now set a goal and track achievements for the public relations efforts their club plans to do over the course of the year.

Club Group View

This view allows assistant governors to see a summary of the goals and achievements for the clubs they are assigned. Club groups are created and assigned by district governors.

Club Snapshot

In the coming weeks, the Rotary Club Central home page will provide each club member with an overview of the club. It will show club information, such as meeting location and number of members, as well as the club's progress toward its goals for the year, all at a glance.

We encourage you to continue giving us feedback on your experience with Rotary Club Central. Your responses will help us improve the tool for Rotarians worldwide.

If you have questions, [email us](#) or contact your [Club and District Support representative](#).

Regards,

John Hewko
