Areas of focus

Rotary's areas of focus

The needs spanning Rotary's six areas of focus are vast, ranging from lack of access to clean water to the need for immunization that prevent deadly diseases. [Learn more in the Rotary's Areas of Focus publication](#)

Rotary clubs serve communities around the world, each with unique concerns and needs. Rotarians have continually adapted and improved the way they respond to those needs, taking on a broad range of service projects. The most successful and sustainable Rotary service tends to fall within one of the following six areas:

- Peace and conflict prevention/resolution
- Disease prevention and treatment
- Water and sanitation
- Maternal and child health
- Basic education and literacy
- Economic and community development

Rotary International and The Rotary Foundation recognize these six areas of focus as organizational priorities, and there are countless ways that Rotarians can address these needs locally and internationally. For ideas, consult the publication [Rotary's Areas of Focus](#).

Clubs and districts participating in the Future Vision pilot can apply for [Rotary Foundation Global Grant](#) funding by targeting specific goals for one or more of the areas of focus. [Learn more about these goals](#).

Membership responsibilities

Rotary Information

What Rotarians get out of Rotary depends largely on what they put into it. Many membership requirements are designed to help club members more fully participate in and enjoy their Rotary experience.

Attendance

Attending weekly club meetings allows members to enjoy fellowship, enrich their professional and personal knowledge, and meet other business leaders in their community. If members miss a meeting of their own club, they're encouraged to expand their Rotary horizons by attending a meeting of any other Rotary club in the world.

Service

By participating in local and international service projects, club members can volunteer their time and talents where they're most needed.

The Avenues of Service are Rotary's philosophical cornerstone and the foundation on which club activity is based:

- Club Service focuses on strengthening fellowship and ensuring the club's effective functioning.
- Vocational Service encourages Rotarians to serve others through their vocations and to practice high ethical standards.
- Community Service covers the projects and activities the club undertakes to improve life in its community.
- International Service encompasses actions taken to expand Rotary's humanitarian reach around the globe and to promote world understanding and peace.
- New Generations Service recognizes the positive change implemented by youth and young adults through leadership development activities, service projects, and exchange programs.

Finding and keeping members

To keep clubs strong, every Rotarian must share the responsibility of bringing new people into Rotary. Even new members can bring guests to club meetings or invite them to participate in a service project.

Keeping members involved in Rotary is another responsibility. Fostering strong fellowship and encouraging early participation in service projects are two of the best ways to sustain a club's membership.

Dues

Club members are required to pay annual dues to their clubs, districts, and Rotary International, as well as the subscription fee to the appropriate Rotary magazine.

Leadership

Club members are encouraged to volunteer for leadership roles at the club level and beyond. To learn more about leadership opportunities in your district, see the district leadership seminar page and the club committee's page.
